

I run to you

I run from hate
I run from prejudice
I run from pessimists
But I run too late

I run my life
Or is it running me
Run from my past
I run too fast
Or too slow it seems

When lies become the truth
That's when I run to you

**This world keeps spinning faster
Into a new disaster so I run to you
I run to you baby
And when it all starts coming undone
Baby, you're the only one I run to
I run to you**

We run on fumes
Your life and mine
Like the sands of time
Slippin' right on through
And our love's the only truth
That's why I run to you

**This world keeps spinning faster
Into a new disaster so I run to you
I run to you baby
And when it all starts coming undone
Baby, you're the only one I run to
I run to you**

Oh oh oh oh
Oh I run to you

**This world keeps spinning faster
Into a new disaster so I run to you
I run to you baby
And when it all starts coming undone
Baby, you're the only one I run to
I run to you, I run to you, yeah**

Oh oh oh oh

Oh I run to you
I run to you, girl
Oh oh oh oh
I always run to you
Run to you
Run to you
