

Lover please, please come back

**Lover please, please come back
Don't take a train comin' down the track
Don't please, don't, don't leave me
Don't leave me in misery**

You would never hold me so near
You would never call me "Dear"
Don't you know I'd die for you?
Now you're gone, that's what I'll do

**Lover please, please come back
Don't take a train comin' down the track
Don't please, don't, don't leave me
Don't leave me in misery**

Instrumental break

All those stories, not too long
About a love that went all wrong
The girl left the boy, all so bad
Now he's gone and she's so sad

**Lover please, please come back
Don't take a train comin' down the track
Don't please, don't, don't leave me
Don't leave me in misery**

**Lover please, please come back
Don't take a train comin' down the track
Don't please, don't, don't leave me
Don't leave me in misery**
