

Somebody like you

There's a new wind blowin' like I've never known
I'm breathin' deeper than I've ever done
And it sure feels good to finally feel the way I do
I wanna love somebody
Love somebody like you

An' I'm lettin' go of all my lonely yesterdays
I've forgiven myself for the mistakes I've made
Now there's just one thing, the only thing I wanna do
I wanna love somebody
Love somebody like you

**Yeah, I wanna feel the sunshine
Shining down on me and you
When you put your arms around me
You let me know there's nothing in this world I can't do**

I used to run in circles goin' nowhere fast
I'd take one step forward, end up two steps back
I couldn't walk a straight line even if I wanted to
I want to love somebody
Love somebody like you

Oh here we go now

Hey I wanna love you baby

**Yeah, I wanna feel the sunshine
Shinin' down on me and you
When you put your arms around me
Well, baby there ain't nothing in this world I can't do**

Sometimes it's hard for me to understand
But you're teachin' me to be a better man
I don't want to take this life for granted like I used to do, no, no
I wanna love somebody
Love somebody like you

I'm ready to love somebody
Love somebody like you
I wanna love somebody
Love somebody like you, yeah

Instrumental break

Oh yeah !
Oh, I wanna be the man in the middle of the night

Shinin' like it's true

I wanna be the man that you run to whenever I call on you

When everything that loved someone finally found its way

Wanna be a better man

I see it in you yeah...
