

Someone else calling you baby

I saw a truck backin' out of your drive
You were sitting in the passenger side
Messin' with the radio, you had your sunglasses on.
I pulled over 'cause I couldn't believe
Two weeks ago that was you and me
Riding down these old back roads, singing our songs
Now everybody 'round our town's been whisperin'
A tear in your eye says I should have been listenin'

**Baby, is someone else calling you baby ?
It's driving me crazy
This bein' in the dark
Goodbye ain't never easy
So break it to me hard
If you're over my love, girl
Lay it on my heart
Don't try to save me
Is someone else calling you baby ?**

You wanted time and you wanted your space
So I backed off, did whatever it takes
Never really thought you were that ready for moving along
Now I ain't leaving 'til I hear you say what's going on
It'll be what it will be, it's either him or me
Give me the word and girl I'm gone

**Baby, is someone else calling you baby ?
It's driving me crazy
This bein' in the dark
Goodbye ain't never easy
So break it to me hard
If you're over my love, girl
Lay it on my heart
Don't try to save me
Is someone else calling you baby ?**

No, goodbye ain't never easy
So break it to me hard
If you're over my love, girl
Lay it on my heart
Don't try to save me
Is someone else calling you baby ?
No, don't try to save me
Is someone else calling you baby ?
Is someone else calling you baby ?
